1 OVERVIEW (04/01/2021)

Enact Peak Portfolio loans are insured through Genworth Mortgage Insurance Corporation of North Carolina's ("GMIC-NC") Peak Portfolio (Peak) program and require a Peak Portfolio Master Policy (Master Policy Form MP 1920). Peak Portfolio loans are not currently eligible for delivery to Fannie Mae (FNMA), Freddie Mac (FHLMC), the (GSE's).

Peak is not available in all states. Peak is currently unavailable for Lenders domiciled in AK, HI, ME, NH and WA.

The loan must meet the Peak guidelines or Enact Standard guidelines in their entirety. Guidelines may not be commingled when a loan is submitted for insurance.

1.1 Fair Lending (07/01/2019)

It is Enact's policy to provide all creditworthy applicants equal access to the capital, products, services and expertise of the corporation and its employees without regard to race, color, sex, religion, national origin, handicap, familial status, age, marital status, sexual orientation, geographic location or any other prohibited basis as defined by federal and state law. We require appraisers to report neighborhood and property conditions in factual and specific terms; to be impartial and specific in describing favorable or unfavorable factors; and to avoid the use of subjective, racial or stereotypical terms, phrases, or comments in the appraisal report. We do not designate certain areas as "acceptable" or "unacceptable". Enact does not "red line."

1.2 Homeowners Protection Act (07/01/2019)

The Homeowners Protection Act (HPA), which applies to loans closed on or after July 29, 1999, addresses private mortgage insurance disclosure and cancellation. It provides for cancellation of mortgage insurance when certain conditions are met and requires disclosure at origination and during loan servicing. Refer to the [Enact's Lender Servicing Guide](#) for more information about cancellation or termination of mortgage insurance.

1.3 Compliance with Law (07/01/2019)

Loans must comply with federal, state and local law regulations, ordinances, rules and orders.

1.4 Affordable Housing and Housing Finance Agency Program (12/16/2019)

Enact has a special commitment to serve low-to-moderate income borrowers through our Affordable Housing efforts. We work closely with our customers on Affordable Housing products and programs designed to meet the needs of diverse markets. While Enact has made a strong commitment to Affordable Housing, we have not reduced our commitment to sound risk management practices. We wish to partner with our customers who share Enact's dedication to high quality Affordable Housing lending.

1.5 Portfolio Dispersion (07/01/2019)

Enact monitors the dispersion of our customers' portfolios. Enact periodically reviews a customer's performance, geographic distribution, mix of loan characteristics, project concentration, loan origination sources, and concentration of high-risk products, and compares the results to Enact's portfolio actual and targeted mix and performance. On occasion, Enact may also review a customer's operational policies and processes. As necessary, observations and suggestions will be shared with our customers.

1.6 Origination Channel (07/01/2019)

Retail and non-retail originated loans are eligible for insurance through Enact's Peak Portfolio (Peak) program.

Retail

Enact considers a loan to be a retail origination when the entity that orders the mortgage insurance coverage (the Insured) performs all the following loan tasks:

- Taking the loan application
- Processing the loan application
- Underwriting the loan application for MI eligibility by the Insured, an MSP, or Enact (Investor underwriting for compliance to its guidelines is not considered an MI eligibility underwrite)
- Funding and closing the loan

Non-Retail

Enact considers a loan to be a non-retail origination when a third party to the transaction originates the loan. Table-funded loans are considered non-retail.

1.7 Mortgage Insurance Underwriting Method (07/01/2019)

Peak loans may be submitted to Enact for an Enact/non-delegated underwrite or may be underwritten by an approved delegated Lender in accordance with the processes and procedures specified in the Delegated Underwriting Program Guide.

Loans falling outside Enact's published guidelines deserving special consideration, should be submitted to Enact for a non-delegated underwrite.

1.8 Commitment Terms (04/01/2021)

Enact's Commitment/Certificate of Insurance is valid for four (4) months from date of issuance. Our standard Commitment term is twelve (12) months for construction-to-permanent loans. Insurance on such loans is subject to the Property being completed and sold to the borrower pursuant to the original specifications and plans submitted with the credit package. Please refer to Section 27 of Master Policy 1920 for any potential Claim impact due to Incomplete Construction.

For additional information on Commitment Terms refer to the Enact Mortgage Insurance Corporation Underwriting Guidelines book section 5.1.

2 UNDERWRITING GUIDELINES (04/01/2021)

Although Peak loans are not currently eligible for delivery to the GSEs, to ensure simplicity in the underwriting process and to avoid guideline repetition, Peak Underwriting Guidelines in many instances will align with the GSE's standard guidelines and documentation requirements (Fannie Mae, Freddie Mac), or other Enact Standard Underwriting Guidelines (Underwriting Guidelines).

When both the Peak guidelines and Enact's Standard guidelines are "silent", follow either FNMA or FHLMC published standard guidelines. The least restrictive of the agencies' standard guidelines may be followed, however FNMA and FHLMC guidelines may not be comingled in an Origination File.

Throughout this document there are references to various sections of the Enact Mortgage Insurance Corporation Underwriting Guidelines (UWGL) book. These references are designed to guide the Lender to additional relevant information about a guideline or topic.

For example: A reference to information regarding Qualifying Ratios appears as: (UWGL 5.12), indicating that Section 5, Subsection 12 of the Enact Mortgage Insurance Corporation, Underwriting Guidelines book provides additional information related to this topic.

All loans must meet the requirements of Section 5 and Section 7 of the Enact Underwriting Guidelines (UWGL) unless specifically addressed in this material.
